

ReSound GN

ReSound Forte™

Get closer

## Take it all in

Even a noisy airport shouldn't stop you. ReSound Forte is the best at letting you hear and understand voices, anywhere and everywhere, while staying aware of the world around you.

- Experience natural, comfortable, top-rated ReSound sound quality
- Focus on what you want to hear, yet respond to sounds and voices around you
- Enjoy automatic volume and noise adjustment as you move through your day

## Share more

ReSound Forte™ is perfect when you need the very best – because you don't want to miss a thing. You'll hear more of the sounds around you, understand more, and be able to share more with the people you love. You can personalize your hearing experience with the intuitive ReSound Smart 3D™ app. And direct streaming from your iPhone helps you stay in touch. ReSound Forte lets you live the life you want with:

- Clear, comfortable conversation anywhere
- An app for personalized hearing
- Wireless connections for keeping in touch

# Stay in touch

ReSound Forte lets you stream all kinds of sound right to your ears, because ReSound Forte works like wireless stereo headphones for your iPhone, iPad and iPod touch. Or if you have an Android or other Bluetooth device, just use the ReSound Phone Clip+ to turn ReSound Forte into a handsfree headset.

- Talk comfortably on the phone
- Stay close with FaceTime
- Use Audible and other audio apps
- Listen to music anywhere
- Take in a movie or a podcast

ReSound Forte hearing instruments are also part of an industry-leading wireless hearing system. That means you can use them with our wireless accessories to extend your listening range.

# All yours

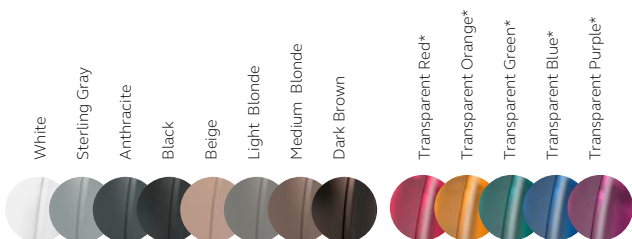

Our new app, ReSound Smart 3D, makes it easy to control and personalize ReSound Forte from your iPhone, iPad, iPod touch, Apple watch or Android. Built-in guidance helps you get started and quick adjustments are just a tap away.

- Reduce noise in loud environments to focus on speech
- Change programs
- Control volume
- Adjust bass, middle and treble
- Set your hearing instruments to remember your favorite programs for particular locations
- Find your lost hearing instruments

# Looking good

Durable and discreet, ReSound Forte comes in a variety of stylish models and colors. They're all protected from moisture and dust with iSolate nanotech – and there's bound to be one that's just right for you.

\* only available for model 61
