How to download the ReSound Smart 3D app

Download to your Android device

STEP 1: Make sure your mobile device is compatible with your hearing instruments. You can find a complete list of compatible devices at www.future-resound.com.

STEP 2: Make sure that your Android device is running the recommended Android OS version 5.0 - Lollipop or later versions.

STEP 3: Download the ReSound Smart 3D app from Google Play:

1. Tap the Google Play icon.
2. Type “ReSound Smart 3D app” in the search field.
3. Tap “Install” to load the app on your phone.

Download to your Apple device

STEP 1: Make sure your Apple® device is compatible with your Made for iPhone hearing aids.

Visit www.future-resound.com for a full list of compatible devices and iOS software.

STEP 2: Download the ReSound Smart 3D app.

1. Tap the App Store icon.
2. Type “ReSound Smart 3D” in the search field. If you are on an iPad, change the search criteria in the top left-hand corner to iPhone only.
3. Once the ReSound Smart 3D app screen is displayed, tap “GET.” (It will then change to “INSTALL.”)
4. Tap “INSTALL” to load the app on your device.

Note: Although this is a free app, you will be prompted to sign into your iTunes account.

5. Type your Apple ID and password to complete the download process.

You are now ready to pair your hearing aids with your iPhone®, iPad® or iPod touch®. If you need assistance with your device, please contact your local Apple store to make an appointment.

You are now ready to pair your hearing instruments

For instructions on how to pair your hearing instruments with your mobile device, please read the Quick Guide for Connectivity that you received with your hearing instruments. You can also find the Quick Guide at www.future-resound.com. If you need assistance, please contact your hearing care center.
